

Newsletter

August 2025

Welcome to the latest Tan Yr Ogof Caravan Park August newsletter.

We think you'll all agree that we've had fantastic weather so far this summer, it's been a joy seeing families gather for BBQ's, little ones riding their bikes and seeing everyone being able to take advantage of our amazing surroundings! There is something magical about the way this place brings everyone together.

We have had a few new arrivals, both caravans and people. We would like to wish them a very warm welcome. We are sure you won't regret your decision to join the Tan Yr Ogof community. We have added some new planters and some beautiful flowers near the reception area. It is all part of our effort to keep things looking fresh and welcoming. If you spot anything that could use a little TLC, just let us know — we love hearing your ideas.

On that note, just a gentle reminder about some of the key rules that are so important for keeping the park such a welcoming environment. The speed limit is 5 mph on the park, this is also important for children on bikes and scooters. It's great seeing children around the park in the summer holidays, can we kindly ask parents to ensure that children refrain from entering other people's plots, and stick to their own garden and the communal areas. Thank you in advance.

We received good feedback about the open day in June, it seems you enjoyed the Hog roasts and the refreshments we put on. As you didn't all make it to the open day, and we are about to receive some new caravans, we are planning on having a "mini open day" in September. This may be a chance to show your friends and family the park, or just come along and have a look at our new holiday homes!

Recycling

Keep up the good work on the recycling! But just a few reminders about the Plastic recycling.

Yes—Separate Clean Plastic, tins and cartons

No— Plastic bags, dirty containers, hard plastic plant pots, un-separated waste bags.

KEEP TAN YR OGOF TIDY
